tasting notes

Beautiful salmon pink colour the wine has upfront fruit of cranberry and blackcurrant with fresh ripe strawberries and nougat. The palate is juicy with succulent red fruit and fresh acidity. A delicious lifestyle wine, elegant and soft.

ageing potential

Best enjoyed within 2 years.

blend information

74% Cabernet Sauvignon; 26% Cabernet Franc

food suggestions

Terrific for a lunch time salad, pizza with friends or as the perfect picnic wine.

in the vineyard

The Cabernet Sauvignon was from Zevenrivieren in the Banghoek valley and our Cabernet Franc grapes from Zevenwacht on the Polkadraai Hills.

about the harvest

The grapes for our Rosé were picked at 21.5 degrees Brix

in the cellar

The grapes were crushed, separated from the skins, settled, racked and fermented the same as white wine. The wine was fermented cold, 12-14 degrees Celsius to retain fresh red fruit aromas. The delicate pink colour for the Rose is derived from the red pigments that are released during the crushing process.
